DIN Registration

Nexreg's Drug Identification Number (DIN) registration service provides your company with expert management of DIN submissions. After receiving the necessary information about the product, Nexreg completes the required submission paperwork and submits a registration package to the Therapeutic Products Directorate (TPD) of Health Canada. Nexreg handles all correspondence with the TPD throughout the submission process and delivers your product DIN number to you upon government approval.

Why outsource your chemical product compliance?

Nexreg is the leader in chemical product compliance and maintains a dedicated research staff to monitor changes in government regulations. There are added benefits as well; an Empagio study of executives discovered the top three reasons companies outsource. Nexreg provides all three:

1. **INCREASED EFFICIENCY** – By utilizing Nexreg's team of experts your company can use its personnel for more mission-critical tasks.
2. **SAVING TIME** - Nexreg's regulatory compliance team can greatly reduce regulatory turn-around time allowing your company's products to reach markets faster.
3. **COST SAVINGS** - Nexreg's team can reduce your company's regulatory costs by 50-65%.

Nexreg offers a number of regulatory compliance services, such as:

- MSDS authoring for a variety of jurisdictions
- Label compliance for consumer, cosmetic and industrial markets
