GHS Compliance

Nexreg's Globally Harmonized System of Classification and Labelling of Chemicals (GHS) consulting service provides your company with expert interpretation, guidance, and compliance with respect to GHS. Nexreg delivers experienced classification, along with hazard and risk assessment according to the GHS mandate.

Why outsource your chemical product compliance?

Nexreg is the leader in chemical product compliance and maintains a dedicated research staff to monitor changes in government regulations. There are added benefits as well; an Empagio study of executives discovered the top three reasons companies outsource. Nexreg provides all three:

1. **INCREASED EFFICIENCY** – By utilizing Nexreg's team of experts your company can use its personnel for more mission-critical tasks.
2. **SAVING TIME** - Nexreg's regulatory compliance team can greatly reduce regulatory turn-around time allowing your company's products to reach markets faster.
3. **COST SAVINGS** - Nexreg's team can reduce your company's regulatory costs by 50-65%.

Nexreg offers a number of regulatory compliance services, such as:

- MSDS authoring for a variety of jurisdictions
- Label compliance for consumer, cosmetic and industrial markets
- Regulatory consulting
- Government submissions and formulation reviews
- Technical translation
